Hi Everyone -

Here is a summary of what we discussed and a few updates. Even though we are not under the constraints of other boards, I think it will be helpful to operate that way: Meeting minutes, agenda, an email dedicated to Clarendon Rec. I will put this on the agenda for the next meeting. As the new Chair I will be in charge of the Agenda and managing the Rec Committee email. I'm hoping someone can take over meeting minutes and a possible spread sheet for people using the field.

Discussion from last meeting:

1. Codes - Red Shed 3945, Concession stand -7230, Electric - 1761
2. To Do -
 - Put in Frisby Golf Nets
 - Stain Concession Stand
 - Paint floor Concession Stand
 - Cleanup (on green up day?)
 - Signs for Tics ordered
3. Ways we can get more members or volunteers, booth at Clarendon garage sale day, Ashley post on Facebook page.
4. We need a spreadsheet for everyone who wants to use the fields.
5. Future ideas for fields: Another baseball field, basketball court, Walking trail, Frisby Golf

Updates: I reached out to Mike R. with RLL and got game schedules and spoke to little league coaches about their practice schedules. I am waiting for Kim to get me insurance for MRUM so we can possibly practice with one of the baseball teams on the field. I meet with Kim today and will have more information on this. I will meet with Heidi tomorrow about budget for Rec Committee.
